

SANDRINGHAM
COLLEGE

Dance Academy 2016

SEMESTER TWO PROGRAM

SCAPA - Sandringham College Academy of Performing Arts (Dance)

Sandringham College presents SCAPA (Dance), established in 2015. The program is a pre-professional dance training program for talented students aged 12 to 18 years. Students will study Classical Ballet, Jazz, Pilates, Contemporary Dance and Conditioning Classes. Students will be required to audition for a place in this program. Auditions will take place annually in Term Four.

Students who audition successfully will take part in a range of dance classes timetabled within the school day. Dance classes will be scheduled to accommodate the academic schedule of our students. The specialised dance classes will take the place of other school-based physical activities and some other elective time. (Time-table to be confirmed at the start of semester.)

The Expressions of Interest Form for the Dance Academy program can be found below. If your student is interested in auditioning for this program, please submit this form to the campus office.
